Many players, one goal: forum on sustainability in supply chains

8th CSR Forum of the Joint Audit Cooperation (JAC) on January 16 and 17, 2019 in Shenzhen, China.

The JAC CSR Forum 2019 has brought together more than 260 sustainability and procurement professionals from leading telecommunications companies, information and communications technology (ICT) suppliers, corporate social responsibility (CSR) institutions, non-governmental organizations (NGOs) and other organizations from research and science. In addition to presenting the JAC activities and results from the previous year, the Forum focused on the enormous opportunities and new regulations surrounding the circular economy, with a common understanding of the principles and practices that support the responsible use of the planet's resources , In addition, JAC praised supplier excellence at this forum for their efforts to support JAC activities.
